COACHES SHOUT OUTS!

FROM COACH STEVEN

Hudson Symank has been working extremely hard over the last couple of weeks. He pays attention during stretching and pushes himself during conditioning which is allowing him to become more flexible and stronger! On top of this, Hudson is willing and excited to try new things which is helping him develop as a young gymnast!

FROM COACH DERRICK

Shout out to Tiffany Chan for always coming to class excited to learn and working hard every single week!

FROM COACH ANNIE

Shout out to Tessa Rumsey! She comes in every day with such excitement and a positive attitude. She is so strong on her bar conditioning and is super close to her chin up pullover!

FROM COACH ERIKA

Emerson O'Connell in the Monday Tumble Bear class, comes in ready to work hard and is always a wonderful listener. Even when she is having a difficult time with a new skill, she keeps a positive attitude and gives her best effort at making the corrections! Way to go Emerson!

FROM COACH KERRY

My shout out for this month goes to Charlie Hudrall! She is a hard worker and comes in with a positive attitude. She is a good friend to everyone in her class. Go Charlie!

FROM COACH JEN

My shout out goes to Lillian who comes on Monday to beginner gymnastics. I have only had the pleasure of being her coach for a short amount of time, but in that time she overcomes her fears of not being able to do certain skills. She now comes in with a big smile on her face and rocks those skills! I am very proud of her hard work, determination and accomplishments!
