Boys Team News

Dear IB Team Parents,

USAG Regional Championships was amazing! Our IB boys competed against the top men's programs in the state of Texas for their right to compete at regionals. We had 100% of our athletes who were eligible qualify. The boys we qualified were from all different levels, which truly showed their individual competitive strength as well as the strength of our entire boys' program. Regional Championships proudly hosted the best athletes from the top gyms in Arkansas, Kansas, Louisiana, Missouri, Oklahoma, and Texas. We were represented by four of our level 6s, one level 8, 2 level 10s, and 2 Junior Elites. After three days of tiring competition, we have some incredible results to share with you all.

First we want to recognize the achievements by our Level 6 group, Dylan Khangsar, Trey Lopez, Joshua Smelser, and Graham Hatley. This was their first experience with Regional Championships. They had outstanding performances and competed well against the best boys in each of their age division. Trey Lopez placed 9th on Rings. Joshua Smelser competed the best vault of his entire season and placed 3rd on that event. Graham Hatley placed 3rd on rings, 7th on Parallel bars, and 12th All Around. Dylan Khangsar showed near flawless form during his floor routine placing 1st on floor, 3rd on vault, 5th on Parallel bars, and 5th All Around. Way to go boys!

Secondly we would like to recognize the individual achievement of our level 8, Jack Ablett. He competed very well taking 1st on Vault, 1st on High bar, 3rd on Parallel bars, and 5th All Around. He competed throughout the competition on a heel injury and pushed through. Way to go Jack!

For our level 10s and Junior Elite athletes, regional competition was their qualifying meet for the National competition in Florida next month. Steven Rodgers and Calvin Rasmussen placed 2nd and 6th on Pommel Horse, respectively. We are very proud of their accomplishments this season. We had two IB athletes qualify for the national championships, Jordan Lopez (level 10) and Collin Lillie (Junior Elite). Collin placed 1st on vault, 4th on floor, 6th All Around. Jordan Lopez swept the regional competition taking 1st on Vault, 2nd on Rings, 3rd on Parallel Bars, 5th on pommel Horse, 6th on High bar and 1st place all around. Jordan Lopez is your 2017 level 10 (age 15) Regional Champion! Way to go guys!

As we come to the end of our season, we are thrilled to have our boys performing so well. Infinite Bounds boys' competitive program is taking men's gymnastics by storm. Our gymnasts are putting us on the map as one of the top gyms. Coach Piti and I could not be more proud of the accomplishments our boys have attained this season. We recognize the individual sacrifice of the boys as well as the sacrifices of the family. Thank you for allowing us to coach and train these wonderful young men.

Sincerely,

Coach Piti & Coach Gabe
