TNT News

TNT Families,

Great job to our competitive TNT Team! They have started this season outstandingly and are gearing up for our State Meet in two weeks. The State Meet is one of two meets that they can qualify for J.O. USAG National Championships. If you see the high flying, fast tumbling athletes, that's our amazing TNT Team! Please stop by to watch and say hi!

We would love to add some new faces to this great group of athletes, so please come for your free trial class for our preteam. Ask the office for details!

Summer is approaching...don't go this summer without new skills, drills and progressions!!
