

Welcome to Infinite Bounds Summer Camp!

This summer camp will be full of short, tall, long & very bouncy trampolines! We will also have every fun game imaginable in our Jump 4 Fun Camp! Infinite Bounds Campers will learn flips on the trampolines, the 54' floor and our foam pit! We can't forget our Little Ninja Warrior competitions & indoor water games! Campers will learn about themselves & how to play with friends with group participation along with original crafts for each week and cool games to interact with our friends during our learning experience! Of course, we will always have time to play in our 35,000 square foot gymnastics center with all of the gymnastics activities. Camp also includes free play with our 30' foot air slides 50' foam pit, with group games to finish our great day! Infinite Bounds is very excited to bring to our campers, their very own movie room during our "stay & play" times! Each day our extended campers will be treated to a movie & more free play in the gym! Campers will be grouped by age appropriate.

So...are you ready to jump, run, flip or just have FUN?

Enroll now to reserve your FUN!
